Policy Statement

Croydon Hills Primary School is committed to providing a safe, respectful and inclusive learning environment. One where students have opportunities to engage in quality learning experiences and acquire the values of respect and responsibility to prepare them to be active citizens for the 21st century who respect themselves and others and are lifelong learners.

All members of the school community are expected to respect the following rights of all:

- people to be treated with respect
- students to learn
- teachers to teach
- to be safe

Rationale

Rights and Responsibilities:
It is the right of all members of the School community to experience a safe, pleasant and supportive learning and teaching environment. Staff, students and parents/carers have a right to be treated with respect, and enjoy an environment free from bullying (including cyber bullying), harassment, violence, discrimination or intimidation.

Teachers also have the rights to be informed, within Privacy requirements, about matters relating to students that may impact on their teaching and learning for that student.

Students have a responsibility to contribute positively to the educational experience for themselves and other students, to participate fully in the school’s educational program, and to ensure that their behaviours demonstrate respect for themselves, their peers, their teachers and all other members of the school community.

Parents/carers have a responsibility to take an active interest in their child’s educational progress, model and reinforce positive behaviours and ensure their child’s regular attendance. They have a responsibility to support the school in maintaining a safe and respectful learning environment for all students, and engage in regular and constructive communication with school staff regarding their child’s learning.

Teachers have a responsibility to demonstrate the standards set by the Victorian Institute of Teaching. That is, to know how students learn and how to teach them effectively, know the content they teach, know their students, plan and assess for effective learning, create and maintain safe and challenging learning environments, and use a range of strategies to engage students in effective learning. Teachers also have a responsibility to fairly, reasonably and consistently implement the Student Engagement Policy and Behaviour Policy.

All members have an obligation to ensure school property is appropriately used and maintained.

Implementation

All teachers including specialists will develop classroom agreements at the beginning of the year outlining expectations and consequences. These agreements will be displayed in the room and a copy sent home to parents. Our student behaviour code will also be sent home at the beginning of each year.

The school has a Student Behaviour Code which is sent home to families on an annual basis.
The school uses Restoratives Practices wherever possible. See appendix 1

School Action and Consequences
Corporal Punishment is prohibited in all Victorian schools. Corporal punishment must NOT be used at the School under any circumstances.
Student engagement, regular attendance and positive behaviours will be supported through relationship based whole-school classroom practices, including targeted and individualised support when required.
Broader support strategies will include:
- Involving support staff including Educational Psychologist, Social Worker, Student Welfare Officer and outside agencies where appropriate
- Mentoring and/or counselling
- Convening student support group meetings
- Developing individualised learning, behaviour or attendance plans
- Contact with the Regional Office

Discipline Procedures – suspension and expulsion
A student may be excluded from school in situations where all other measures have been implemented without success, or where an immediate suspension is the only appropriate course of action in response to the student’s behaviour which may put the health, safety and well-being of other students, staff or themselves at significant risk.
See Appendix 2 - Actions and Consequences

Restorative Chat

To the wrongdoer:
What happened? Who else was there/around when it happened?
What were you thinking, what was in your head/in your mind?
Was it the right thing/wrong thing to do?
Who has been affected/upset/harmed by your actions?
In what ways?
How has this affected you?

To the victim:
What did you think when it happened?
What have you thought about since?
How has it upset/hurt/harmed you?
What has been the worst thing?
What is needed to make it right/to make you feel better?

To the wrongdoer:
What do you need to do to make things better?

To the victim:
Is that okay/do you agree?
Is that fair?

To both:
How can we make sure this doesn’t happen again?
Is there anything I can do to help?
Is there anything else you would like to say?

BEHAVIOUR NOTIFICATION

Restorative Practices

Croydon Hills Primary School uses Restorative Practices wherever possible to encourage engagement, respect and responsibility in each individual student. This applies in classrooms, specialist sessions and in the yard. We expect respectful communication and relationships and use this approach when behavioural issues arise. We use restorative questions depending on the circumstances:

<table>
<thead>
<tr>
<th>When things go wrong</th>
<th>When someone has been hurt</th>
</tr>
</thead>
<tbody>
<tr>
<td>• What happened?</td>
<td>• What did you think when you realized what had happened?</td>
</tr>
<tr>
<td>• What were you thinking at the time?</td>
<td>• What impact has this incident had on you and others?</td>
</tr>
<tr>
<td>• What have you thought about since?</td>
<td>• What has been the hardest thing for you?</td>
</tr>
<tr>
<td>• Who has been affected by what you have done? In what way?</td>
<td>• What do you think needs to happen to make things right?</td>
</tr>
<tr>
<td>• What do you think you need to do to make things right?</td>
<td></td>
</tr>
</tbody>
</table>

There will be times when consequences will be imposed as a result of inappropriate behaviour.
