MELBOURNE’S Hisense Arena was transformed into a fairytale wonderland on Saturday with the annual State School Spectacular delivering a performance full of fantasy and fun. This marks the 20th anniversary of this Department of Education initiative. 20 of our Senior Choir students were part of a 1000 student massed choir that did two performances on Saturday. There was also a 90 piece orchestra, rock band, 1500 dancers, soloists, backing singers and a HUGE crew. The kids absolutely loved it and were in “awe” of the magnitude of this event.

It will be televised on Channel 7 between 7-9 p.m on December the 5th.

Don’t miss it!!
