Principal’s Report

Building Works

Many will have seen the works which are continuing with the new classrooms for the school. The old single classroom has gone to the tip and the 2nd of the double classrooms will be here in the next few days.

We are very proud of the learning environment we are able to provide for our students. What we have been able to create over the years far exceeds what is provided by the Education Department as the core facilities for a school. The Building the Education Revolution money that was given to the school a few years back gave us the opportunity to further enhance not only the classroom space, but the area around the rooms which can be used in so many flexible ways. With this in mind School Council has decided to fund the building of a Gallery Infill between the two double classrooms which will form a four classroom block with indoor space to be shared. It will be very similar to the block at the back of the school which has 4 Junior classes in it this year. We believe this will make for a wonderful learning space for our school. This project is done at the school’s own cost, as the Department supplies and sites the buildings for us but the gap in the middle is up to us. I am sure you can image that this is not a cheap process, but it is one we feel is important. I would like to thank CHAPS for contributing to this building project. It is a great example of how the money raised in fundraising benefits the school.
The tender has been let and work will commence shortly and will be completed by the end of this school year, so it is ready to go at the start of 2015. As I said, I believe we are all proud of the facilities and the programs we offer. We always strive to be better and we therefore appreciate your support in our endeavours as a school.

Correct School Uniform

We are having a blitz on school uniform at present, as a number of students are wearing items which don't fit within our policy. School uniform promotes a sense of community spirit and pride in the school. The wearing of school uniform is compulsory at Croydon Hills Primary School in accordance with DEECD regulations. The Policy is on the school website under Parents then Policies. The direct link is: [http://croydonhsps.vic.edu.au/uploaded_files/media/1413411224uniform_policy_2013.pdf](http://croydonhsps.vic.edu.au/uploaded_files/media/1413411224uniform_policy_2013.pdf)

Croydon Hills uniform consists of navy shorts, skorts, pants or track pants, red polo shirts with a collar, navy windcheater and approved hats which are navy and wide brimmed. The summer uniform for girls is a red/blue/white check dress or navy shorts/skorts with red polo shirt; the winter uniform is a tartan pinafore or skirt or navy track pants. Navy tights can only be worn with the winter pinafore or skirt. Year 6 children have a special Graduation windcheater and navy polo top - we do not allow younger siblings to wear these Graduation windcheaters from previous years.

The only acceptable jewellery is watches, stud earrings and sleepers in the ears.

Make up and nail polish are not allowed.

Students should have their natural hair colour. If headbands are worn they should be red, navy or white.

If for some reason your child is sent to school out of uniform for the day, please send a note to the class teacher.

We appreciate your support of our Uniform Policy and the promotion of community pride in our school.

Class Placements for 2015

In November staff will begin the task of making up classes for 2015. As always, our staffing details and final class structure will not be known until December. Our final staff numbers for the new year are completely determined by our projected student enrolment and then the number of students we have at census on the last day of February. Nearly all funding from the Department is dependant on that census count.

Class lists for the new year are made up after careful consideration, balancing a range of considerations. All classes are made with a balance of students. Factors such as academic ability, behavioural issues, friendships, and previous teachers are all taken into account. This process is completed by the current teachers and is checked and discussed with senior staff. The current class teachers are in the best position by far to know what class students are best suited to in the following year. Sometimes the teacher placements for the following year are known, but this is not always the case. We are fortunate that because of our larger number of students compared to most schools we have more options in developing students into classes. Some schools only have 1 or 2 classes at each year level, which does not enable them to vary the mix of students in the class very much. Students are all given the opportunity to list students they would like to be with for the following year and we ensure that at least 1 student on that list.

An important part of their journey through the school and vital life skills are meeting, getting to know different personalities and working with different students each year.

Parent input on placement with a particular class teacher is not an aspect where parents have a choice.

We recommend you discuss initially with the classroom teacher if you have specific concerns regarding placement for 2014. If there are significant issues that you would like us to consider we are asking this year that you make an appointment to speak with Carol or Graeme to outline the information, rather than just a letter as we have done in the past. This meeting needs to take place before Friday November 7th. I am sure that you would understand that it is not always possible to accommodate all requests in this area but we do endeavour to provide student groups that are in the best interests of individual students and the school as a whole.

We are very fortunate at Croydon Hills to have such high calibre teaching staff, who implement our school programs in such a conscientious and team oriented manner.

Could I ask that families or students who are not returning to CHPS in 2015, other than the Year 6 students, send a letter to me so we can plan our numbers and therefore staffing as accurately as possible. If there are still any parents who have Preps starting and have not yet enrolled, or you know of neighbours in this position, please contact the office. We currently have 85 Foundation students enrolled to commence next year and we have 54 students Graduating in Year 6. I therefore believe we will have around 600 students to start the new school year in 2015.

HEALTH EDUCATION IN THE JUNIOR SCHOOL

As part of our Health Education program Mia Sartori our student welfare officer is working with Junior classes to discuss safe touch.

Some of the things Mia will discuss are:

Three types of touch – Good, Bad and Confusing. The easiest way to know if a touch is Good, Bad or Confusing is the way it makes you FEEL. Good touch we may feel Happy, Proud, Safe, Loved etc. Bad touch we may feel Angry, Embarrassed, Scared, Upset etc. Confusing touch is when you may start of feeling good, happy, and safe but then it turns to feeling scared, uncomfortable, worried etc.

All feelings give us body signals. How to identify warning signs in their body that let them know they may not be safe. Identifying private parts and the rules of touching; No-one is allowed to touch you on their private parts unless it is to keep you clean and healthy ie: getting help on the toilet, or bathing, or if the doctors need to check your private parts. You are never allowed to touch anyone on their private parts.

To keep safe from Bad or Confusing touches you need to say 'No!' or 'Stop!', get away from the person doing the touch and immediately tell a grown-up. All the children made safety plans and identified which adults they would go to for a ‘Helping Hand’.

The children did two activity sheets; 1. Identified my ‘Uh Oh’ body signals; 2. My helping hand – Safety Plan

Next week's Newsletter will contain a Protective Behaviors information sheet, providing further information for parents.

If you have any questions please do not hesitate to contact me at school.

Say G’day Challenge - Friday 24 October

As part of Walk to School month, we have arranged for all school crossing supervisors near our school to be in possession of golden tickets.

Walking or cycling students can collect a golden ticket as they say “G’day” to their local friendly school crossing supervisor. The golden ticket is the student’s entry into our school's draw to win prizes supplied by Council.

The event will promote safe street awareness and road crossing practices and is designed to be a fun and engaging activity that schools and students can participate in.

To enter the draw, students will need to write their name and class on the golden ticket. Once at school, students place the tickets in a special box located at the school office.

Participating schools will then conduct a prize draw during assembly to determine the winners of the prizes.

Sports News

Division Athletics

Congratulations to the children who competed in the Division Athletics Competition last week. They did very well and we are proud of their efforts.: Sarah R 1500m (SRD), Sam W Shot Put (SRB), Harlan HH 800m (MDL), Bella S Long Jump and Hurdles(MDL). Well done to Sam and Bella who qualified to compete today in the Region Athletics Championships. We wish you the best of luck.

Junior House Cross Country

With just over a week to go, the children now have a map of the course in their classrooms and hopefully they will join the Running club on to follow Mr Brock and Miss Yallop around the school to do the course. There will be a line marked on the day so that children can follow this as well as some Senior students showing them the way.

Lets hope they don't beat the Senior kids!! Thank you to all the parents so far who have sent back their reply slip to help out on the day. I believe there may be a few slips which were returned accidently as parents may not have read it properly. This slip was only for those who could assist on Friday 24th October. It is not a permission form for the children to do the course, as no permission is required. If you think that this may have been you, could you please let the office know so that I don't send home a form for you with the map and then have to replace you. I will send home information to parents early next week with a map and where I would like you to stand to help out. We have just been discussing the value of “Excellence and Doing your best” We would hope that all children try their very best on Friday and have lots of fun participating. All children will receive a participation ribbon, all children will also get allocated points depending on where they come and the top 10 children will receive a certificate.

Hot Shots Tennis

If you have been down onto the basketball courts, you will have noticed that all the sports lines have been repainted and some of the tennis courts have had their lines extended. It looks fantastic, nice and bright and also is now catering for our new sport which is Hot Shots Tennis. ANZ has taken over the sponsorship for Tennis Victoria so there are new t-shirts for children to order. Again, I stress that these are FREE and you should have a look at the website to register and receive your free gift. Each time a child registers, the school receives a $2 rebate to spend in the online Tennis shop for more school equipment. Please register NOW!

Late Sports Uniforms

There are still many uniforms from the District Athletics and Interschool Sport, which have not been returned from the Senior area. Could you please make an effort to have these returned as soon as possible as they are well overdue. Could you also remind your child to hand it over as I know there have been some who have brought them back to school but it has been sitting in their school bag for weeks!

The State School Spectacular will be televised on Sunday 19th of October on channel 7 at 3 p.m.

Spectacular TV Telecast and 2015 Auditions

Tune in to Channel 7 on Sunday 19 October 2014 at 3pm to relive the excitement, colour and movement of the 2014 Victorian State Schools Spectacular – Dare to Dream.

After setting the Hisense Arena alight last month, the Spectacular’s 3000-strong cast of singers, dancer, musicians, skaters and skippers will again be in the spotlight.

Indiana Rancie from Boronia Heights Primary School and Ryen Niven-Tait from Ringwood Secondary College will join Channel 7’s Jo Silvagni to co-host the telecast.

Both students were selected through the Spectacular’s Search for a TV Host after submitting a three-minute audition clip demonstrating their on-air abilities. The real world exposure to the TV industry at a large-scale, live event is a great experience for the students.

Audition bookings and mass schools’ expressions of interest for the 2015 Spectacular open on the same day as the telecast, 19 October 2014.

Students and schools interested in participating are encouraged to register online.

We are all learning “Paint You A Song” during music classes and performing it together on Thursday the 30th of October with thousands of other students around Australia via livestream!

Junior Christmas Choir

"Tryouts" for interested students in years 1 and 2 will be held tomorrow, Friday 17th October in the P.A.C. at lunchtime. The idea of the tryout is to make sure your child is really clear about what a choir is and the kinds of things that they will be doing during rehearsals and at their big Christmas gig at 7 p.m on Wednesday 10th December. If your child decides that they would like to join I will give them a notice to bring. It is really important that you talk to them about their commitment because this is a team activity and we rely on regular, dedicated students to make the choir a worthwhile and valued ensemble. This is a great opportunity for students who love to sing and would like to join an ensemble and it is also very rewarding and lots of fun. Current year 2 students will be given the opportunity to join the School Choir next year.

Senior Choir

No next week as I am on Long Service Leave for the week. Rehearsals will start again on Monday 27th and Thursday 30th of October.

Thank you,

**CHAPS NEWS**

All chocolate money and unsold chocolates are due back now, please.

Please check out the New Fair Logo Competition page later in this Newsletter. We are asking students to design a new Fair Logo for next year's fantastic Fair.
We are also collecting your unwanted items for our Trash & Treasure stall at the Fair. Why not have a pre-Christmas clean-up and bring those things that are cluttering up your cupboards and floors. We can store them at school until the Fair and help you create space for the holidays!

**School Banking News**

Reminder for everyone that banking day is FRIDAYS.

Don't forget to exchange your banking tokens for awards once you have accumulated 10. Please note, there will be a cut off for exchanging your tokens for awards 2 weeks before the end of the term.

Whilst we endeavour to fulfil your orders, we cannot guarantee that the stock from the Commonwealth Bank will be available at the time of your order.

Let us know if you have misplaced your tokens, we have computer records of exactly how many tokens you should have at any time.

Please contact us if you need to know what the Awards are or need an award redemption form.

Keep depositing as the School gets Commission on every deposit.

So far, the school has received the following Commission from the Commonwealth Bank.

<table>
<thead>
<tr>
<th>Term</th>
<th>Commission</th>
</tr>

<tbody>
<tr>
<td>Term 1</td>
<td>$ 611.19</td>
</tr>
<tr>
<td>Term 2</td>
<td>$ 350.50</td>
</tr>
<tr>
<td>Term 3</td>
<td>$ 220.89</td>
</tr>
</tbody>
</table>

Let's finish the year with a good term and get as much money for our School as possible.

Please also note, it is not too late to open an account and start school banking. You can contact us to find out how.

You can also open accounts for siblings starting school next year, so they can get a start on their saving early.

Thank you and keep banking.

Online Golden Rules

For many aspects of our life we have ‘Golden Rules’. Those rules that we make for ourselves and always live by. Online is no different. It is important for young people to understanding what the ‘Golden Rules’ are online. By have a discussion with your family about your rules online, everyone is able to stay more safe online and ask each other for help. Here are some examples on eSmart ‘Golden Rules’.

The Golden Rules about email:
- Never give out your email address to someone you don’t know.
- Never open emails from people or organisations you don’t know.
- Email can contain all sorts of bad stuff, like hoaxes, chain mail scams that they and get your money.
- Computer viruses can be carried as attachments to email message.
- Inappropriate or illegal pictures or movie files can be attached to an email.

The Golden Rules about mobiles:
- Mobile internet enables devices such as phones can access the internet, take photographs and record sound.
- Similar safety issues exist with internet enabled mobiles, so you need to protect your privacy,
- Never give out your personal information using your mobiles.
- Never give out your mobile number to someone you don’t know in real life.
- Never use your mobile phone to be unkind to someone, send nasty messages or pictures.
- Be considerate when using your mobile, just as if you were communicating with someone in the real world.

These are just some examples that you might like to use with your family.

eSmart coordinator.
SEEKING ENTRIES: FAIR LOGO COMPETITION

CHPS wants YOU, our students to help us design the logo for our school FAIR which will be held next year.

Entries are now open for all students to draw / design or create what they think should be used as the logo/picture to help advertise and promote our FAIR.

What do you think about when you think of the FAIR ??
Rides, balloons, clowns, fun, fairy floss?? To give you some ideas.

COMPETITION RULES:

* One Entry per student. Forms will be available from your class teacher or Miss Michielin at the art room.

* You can choose either the circle or square design, but make sure you stay within the lines of your chosen shape

* You **must** have CHPS FAIR 2015 written somewhere in your design

* Use only pencil or texta for your design / picture

* Make sure you fill in your Name and Class on your entry

* Entries close 4pm Friday 31st October. (There will be a box at the Office, to put your completed entry into)

* One finalist will be chose from each of the Foundation, Junior, Middle and Senior schools. Each finalist will receive an unlimited rides pass for the day of the fair!

* The winner will have their artwork used as the logo on all advertising for our FAIR !

GOODLUCK, and Happy Designing !!
What's been going on in Foundation?

**LEARNING TO READ, WRITE AND SPELL.**

**READING**
The foundation students have continued to build their love for reading. They are actively involved in “shared reading” sessions assisting in the reading of familiar texts. They love using text structure, prediction, visualisation, think-aloud, summarising and questioning to assist with and better understand what they are reading.

**WRITING**
Our writing is in full swing! After a full 3 terms of developing the groundwork for writing, the Foundation students are producing some fantastic pieces of work. Reports, procedures, poems, narratives and information reports are all on the cards in the near future. Keep your eyes peeled.

**SPELLING**
A new addition to the writing focus of Foundation students is spelling. We are working hard to continue to build our consistency writing the high frequency words correctly, with the new addition of “frost” words. Frost words are those words which we use often but are difficult to remember, such as “because”, “friend”, “favourite” or “sometimes.”

Love Languages

Learning another language is fun for young children. Research shows it:

- Stimulates brain development
- Enhances English literacy
- Improves memory, concentration, problem-solving and numeracy skills
- Improves overall performance at school
- Encourages respect and understanding of other cultures

The Victorian Government is putting young children first in its vision for languages education.

From 2015 all Prep students in government schools will be learning a language and will have access to quality languages education throughout their schooling.
