Welcome back to an exciting new school year. Listening to the students’ stories, it sounds like a great time was had by all over the summer break. We are welcoming 20 students across the school in addition to our 87 students who start school for the first time in Foundation. A warm welcome also to our two new teaching staff, Kristy Sotiropoulos and Ruth Terpstra.

**New Timetable**

A reminder to parents that we have changed the timetable from 50 min to 60 minute sessions for this year, for curriculum reasons not student numbers. Often schools go for shorter specialist sessions as they get larger, rather than the way we have chosen. We value our specialist programs so were looking for a longer-term solution to maintain them at their current level.

We have been following our Strategic Plan, which this year begins its 3rd year of implementation. As you know we have had a strong focus on Literacy over the last few years, working hard on a whole school approach to Writing, Reading and Spelling. This year we are working on Numeracy.

When we looked at creative ways to work around this, one of our staff came up with the model we have gone with. What will happen this year is that for Music, Art & PE all classes will have an hour session each week in each subject for 3 terms and in one term they will have it fortnightly. Times will vary each term for different year-level teams. This means that students will spend more time over the year in each of these subjects than they did last year. Classes from 1-4 have a Platoon session each week and our senior students have weekly sport. We are offering Indonesian sessions for all students for 40 minutes each week, as this works better for LOTE but would not have suited the other specialists.

We are very proud of our specialist programs and certainly do not want to diminish them in our community’s eyes. With our program this year the time spent in specialists is very similar (more in fact this year), just distributed a little differently. When we looked at competing interests, the curriculum is so crowded and we felt that working this way, though not perfect, was the best in what is always a compromise in the 25 hours instruction time we have each week.

Can I remind parents that with the lunchtime later (1.30pm) this year, that students need a substantial morning tea. We would ask that, where possible, these are stored separately so students can easily get to their morning tea without having to take everything out of their lunch boxes.

**Korean Exchange Teachers**

Next Thursday we look forward to welcoming 2 Korean teachers who will be working and observing in our school for nearly 3 weeks. They will be joining in class activities and sharing their culture with students. This is part of a program between the Victorian and Korean Governments, supported by UNESCO. They will be staying on their visit with Kali Fraser and in July Kali will travel and stay in Korea for a similar time. We look forward to welcoming them and sharing our culture, while learning more about them.

**Facilities Changes**

Over the holidays we have been very busy with a number of upgrades to our facilities.

The **New Classrooms** block and the gallery that we have had build for us was a race against time, but has made it ready to go for our students’ first day. The paint was dry…but only just. We are very pleased with the outcome and with a little landscaping to do it will be a wonderful learning space for our junior students.

We also had a 30Kw Solar System installed, which fits very neatly on the roof of block A. There are 120 Panels as part of this system which on a sunny day is 170Kwh of power. This will assist greatly in reducing our significant electricity bill. Schools are great places for solar power as our major usage is during the day when it is producing power. This system should pay for itself in 3-4 years and after that will be saving us significantly.

Other changes include:

- 8 Split System Air-conditioners into rooms which had old and less effective evaporative systems
- The Birches reading area has been extended with extra sleeper walls
- The stage area near the main oval has been re-surfaced as one large concrete area, which will be much better for Carols, Fair and lots of other occasions.

**After School**

We are happy for parents to stay and socialize after school for a short time, but a reminder that parents must monitor their children’s behaviour if they are staying in the yard after school. We have had a number of examples already of students doing things they cannot do during school hours, including spreading sand over synthetic turf and playing roughly. Students must be safe and follow our school guidelines at all times in the schoolgrounds - please be consistent.

Please be aware of these important dates this term:

- School Photos will be taken on Thursday February 12th
- Student Leaders’ badge presentation at Indoor Assembly on Friday Feb 20th, 2.35pm
- The CHPS 2015 Calendar coming shortly - likely Friday this week. 1 per family will come home. There are extras at the office if you want to buy one for $5 each
- The School Fair is on SUNDAY March 15th
- We have a Curriculum Day for Maths on Tuesday March 10th.

**School Council Elections**

School Council Election time has come around again. School Council is made up of 8 elected parents, 5 staff positions and the option of 2 Co-opted Positions. Of the 8 elected parent positions there are 4 parent positions vacant. The parent members whose 2-year elected term ends now are Rachelle Robertson, Kim Leong, Paul Brophy & Scott Parker. This means there are 4 vacancies for which we can accept nominations. If you are interested and think you might like to be part of Council you can collect a nomination form from school or ask for one to be sent home. Once the nomination form is completed, return it to the office by Friday February 13th at 4pm.

If you require any further information or want to know what is involved, please contact me or talk to one of our current School Council members. I know any of our Councillors would be happy to chat about what is involved and the contribution you may be able to make to the school nurturing your children.
Nomination & Election Timeline

Thursday 5 Feb: Call for nominations
Friday 13 Feb: Nominations close at 4pm.
Wednesday 18 Feb: List of candidates displayed
If an election is required
Monday 23 Feb.: Distribute ballot papers by this date
Tuesday 3 March: Close of ballot, Count votes and declare the poll
Wednesday 18 March: New Council meets to elect office bearers.

School Injuries and Insurance

Parents and guardians are generally responsible for paying the cost of medical treatment for injured students, including any transport costs. Most medical costs will be refundable by Medicare. If you are a member of an ambulance or health insurance fund, you may also be able to claim transport or other expenses from the fund.

The Department of Education and Training does not hold accident insurance for school students.

Is other insurance cover available? Yes.

The Department is aware of two insurers, JUA Underwriting Agency Pty Ltd and Willis Australia Ltd, that provide accident insurance policies for students. These policies provide specific benefits for students who are injured in accidents for a reasonably low cost. Other insurers may also do so.

School Veggie Garden

It is extremely disappointing to report that our entire crop of vegetables was stolen from our school veggie garden last night. For many years our veggie patch has been lovingly tended by students under the watchful eye of Pat Formston, our gardener/handyman. The Farm area gives all students the chance to experience fresh produce, from planting to nurturing to harvesting. At times, classes are even able to prepare nutritious food from the vegetables they have helped to grow. Families can purchase our fresh produce from the office, with profits helping to ensure the purchase of seedlings and thus keep the program running. While we would not begrudge sharing with anyone who needs food for survival, it is very upsetting for students and teachers to see our crop plundered and months of hard work ruined. Security is being reviewed.

Graeme Caudry - Principal

Student Leaders for 2015

This is our Student Leadership Team for 2015. Our young leaders will be presented with their leadership badges at our first Indoor Assembly for the year: Friday February 20th at 2.35pm.

### Sports News

#### District Swimming Sports
The District Swimming Sports are being held this year on Monday 16th February at the Tintern School pool. All children in Years 3 – 6 who are able to swim 50 metres in any stroke within a reasonable time, will be given the opportunity to compete against the other schools in our District. Please submit your 50 metre times to me by mid next week. Some children do swimming club and are capable of swimming this distance, however we are after children who do squad and are competitive, as the standard of swimming at these sports is fairly high.

#### Interschool Sport
Interschool Sport starts next Friday 13th February. All Year 6 students are expected to participate in one sport. We have started the trials for the Year 5 students already and will finalise this by early next week. The notice for the Year 6s has already been uploaded to Compass, so I ask the parents of the Year 6s to complete the consent forms and pay online as soon as possible as payment is due by mid next week. Payment can also be made at the office. We have a six week round competing in Basketball, Cricket, Rounders, Tball, Volleyball and Hot Shots Tennis. Thank you to the parents who will be assisting us with some of these sports. We are still looking for a parent who can assist with the Girls’ Rounders team.

#### Sports Uniforms
This year, like last year, I am asking parents of girls to make sure their child comes to PE dressed appropriately. I would like to see them wearing their polo shirt with shorts or skorts. This allows the children to move about more freely, as the dresses sometimes get in the way.

It is a requirement that all students wear their runners to PE lessons, as this is also a safety issue as well as a comfort issue when running and working on the asphalt outside. Also, we don’t allow black school shoes in the stadium as it leaves marks on the wooden floor.

So could I please ask that all parents who have girls with dresses, allow them to wear their shorts on their PE day and then they can wear their dresses on the other 4 days of the week? The uniform shop does sell “shorts” (shorts which look like a skirt at the front) or just plain blue shorts. Could parents please be aware of the day their child has PE so they can come ready and prepared to have some fun, especially with the 2 week timetable.

**Noreen McMenamen - PE/Sport**

### Music News
Welcome back everyone!! Here are a few quick updates.

**Junior Rockers** – enrolment forms are available from the office or the P.A.C. if you want your child to learn an instrument at school this year. Lessons will be conducted on a Tuesday either in a group of 2 or a private lesson. If you would like to enroll online you can go to [www.juniorrockers.com](http://www.juniorrockers.com)

Any queries, come and see me or give me a call on the school number. Lessons will commence on Tuesday the 17th of February and a timetable will be up before that. The “Junior Rockers” will give a short presentation at our first indoor assembly on Friday the 20th of February at 2:30 p.m in the stadium.

**Choir** – The first rehearsal will be next Thursday morning in the P.A.C. at 8 a.m. Contracts have been distributed and should be back to me on or before the first rehearsal. If your child is in Year 3-6 and would like to join the choir they are more than welcome to come along. Rehearsals will take place every Monday lunchtime and Thursdays before school (8 a.m.) in the P.A.C. Our first gig will be leading the anthem and school song at our first indoor assembly on Friday the 20th of February.

**Telephone:** 9725 1206  **OSHC 9724 4514**
State School Spectacular – If you are in Year 5 or 6 and are a regular member of the choir you are eligible to participate in this event on Saturday the 12th September at Hisense Arena. Details and notices are available from me at the P.A.C. Kathryn Lane - Performing Arts.

Library News

Welcome back and to all those who have just joined our community – welcome. I hope you all had time to read some great books over the break.

Just a few reminders as we settle into the new school year. **All children are expected to have a library bag before they can borrow from our library.** It does not need to be anything fancy – a plastic bag is ideal and I am even prepared to accept the blue satchels that some students have (as long as the book fits inside). If your child has a cloth library bag it is a good idea to put a plastic bag inside. Most of the damage done to our library books is caused by leaking drink bottles or squashed food (the natural enemies of the book).

We have a great selection of books in our library and we are constantly adding new titles to try and keep the library as exciting and fresh as possible. Relaxing with a good book, either reading it yourself or reading to someone special, seems to be overlooked sometimes in our busy lives but with reading comes so many opportunities. For those of you with students in the Junior level – please remember that library books are meant to be shared – your child will probably not be able to read these books on their own. Remember that reading is more than being able to recognise the words on a page. Comprehension is vital! It is often a good idea to ask your child about the book they have just read. If they can’t tell you much about it the book may be above their level. The reading books that they take home from the classroom are aimed at their reading level. These children – and those in the Middle level (and higher) still enjoy having books read to them and this is an important part of learning to read and comprehend. It also has other proven benefits.

Students can borrow the books for two weeks. I send lists of overdue books to the classrooms every week and overdue notices are first sent home when a book is overdue for 2 – 3 weeks. Follow up letters are also sent home fortnightly after this. If you receive a notice and are sure that the book has been returned, please ask your child to see me in the library. A book is not considered returned until it is in the library. Sometimes books seem to get as far as the classroom and get stuck there. Please encourage your child to do a thorough check at home and in the classroom if they receive an overdue notice. **Also please note that if your child had an overdue book at the end of the year it will still be out in their name – it does not magically disappear over the holidays.**

Let's keep the reading bug alive.

CHAPS NEWS

**Well it's the start of another year, and the CHAPS committee is looking forward to an exciting and successful 2015! Our first meeting for the year will be at 9am this Monday, 9th February, in the conference room near the staffroom. The focus of our first meeting will be to plan out our CHAPS events and fundraising activities for the year. If you have**
any suggestions, including feedback on previous events, we would really welcome your input. If you are unable to make the meeting, you can email chaps@croydonhps.vic.edu.au

Our fair committee are also hard at work organising the 2015 school fair. However, it will only be a great success if they get the support they need to help run the day. This means lots of volunteers! Notices will be going home soon, so please help out where you can. If everyone pitches in an hour or two, the day will be an amazing success!

Finally, I would like to encourage you to join CHAPS if you haven’t already. It’s a great way to be involved in the school, especially if you are like me and can’t always help out with class activities. You will meet amazing people and it’s a great way to stay up to date with what’s happening. Membership is only $1, which provides voting rights and ensures you will be emailed the minutes for each meeting. Forms are available at the office or can be emailed upon request.

Mia’s Message Board:

Dear Parents,
Welcome back! I am looking forward to a great 2015, working with parents and children to help our students become the best they can be. I am getting as many resources as possible to assist you in achieving your parenting goals.

Firstly, we have the very valuable 5 session Parentzone course (which is FREE) starting on the 26th of February. I highly recommend this course and urge you to grab this opportunity to attend. There are only a few places left so contact Helena (details on the flyer see below) ASAP to secure your place.

Secondly, Parenting Positively have their great workshops running again this Term at their Kilsyth venue including, The Resilient Series, Tuning into Kids and Parenting Anxious Children. Email me for dates and prices; sartori.mia.m@edumail.vic.gov.au

Lastly, I have a new home at CHPS, I am in room E-7 (in the Senior School block). I want to extend an invitation for parents to drop in at any time to see me. I have some great parenting books that I am happy to loan out to parents. I am happy to speak to any parents about any issues to help you achieve your parenting goals. I am here on Monday, Tuesday and every second Thursday.
