Getting To Know You Interviews are on next Wednesday afternoon and evening. This is an important opportunity to touch base with your classroom teacher. It is an opportunity to share your child’s positive attributes and those which you want to focus on building. Open communication is vital if home and school are going to work together to support your children. Please keep in mind that this is only a 10-minute chat and that the class teacher has had only 2 weeks to get to know your child. Bookings are now open on Compass.

School Photos went really well today and operated smoothly. We all look forward to seeing the printed results.

Communication
Much of our communication this year will come electronically through Compass, so it is important that if your contact (landline/mobile/email) details change, that you advise the school office as soon as possible. This should be either in writing or through an email to the school email account. If your email changes you will also need to update your registration for the newsletter being emailed to you through our website. Please note that we are no longer using the Skoolbag App, as Compass can be used and viewed in its mobile version on phones and tablets and it provides more comprehensive information.

Korean Visitors
We have been very pleased to welcome to our school 2 teachers from Korea who will be with us in our school for 2 weeks. They are Ms Yun Soon Kim
and Ms Hi Eun Lee. They are part of a delegation of 20 teachers who have come as part of a program supported by South Korea, with the aim of building intercultural understanding between our countries.

Kali Fraser is the teacher hosting our visitors and as part of the program she will travel and spend 3 weeks in South Korea in July.

To signify how highly this program is regarded a reception for the Koreans, their hosts and Principals was held in the Victorian Parliament House and was attended by the Consul General from South Korean and the new Minister for Education, James Merino who was the host for the event.

We are also hosting the program leaders and managers from South Korea and Victoria for a tour of our school and lunch next Wednesday, which will be an honour for us. We greatly look forward to them enjoying their stay in our school.

Riding to School
It is great to see students on bikes getting to school efficiently and in an environmentally sustainable manner. We have a secure and covered enclosure where bikes can be stored safely through the day. We will meet with all students intending to ride bikes to school. Students from 3 - 6 who intend to ride need a bike licence, which is a local agreement signed by the parent, student and myself. Students who have ridden in previous years are asked to renew their licence each year, so they are reminded of the guidelines for safe use. No skateboards or rollerblades are to be bought to school.

School Calendar
Each family has hopefully received a printed copy of the CHPS School Calendar earlier this week. The calendar contains school dates throughout the year and is a great school community resource to keep handy. We hope you find it useful for coordinating school and family activities.

Specialist Timetable for 2015
There is still some concern amongst parents about our new timetable this year. The reason for the change is so we can go back to hour blocks, allowing teachers to have an hour daily to teach reading, writing and mathematics. Even though students will not be having PE, Art and Music weekly all terms over the year, the time variation compared to the time they had with specialists in 2014 is very small, as each specialist session they do have is 10 minutes longer.

Assistant Principal’s News
We ask that parents support the school by sending students in the correct uniform. The wearing of school uniform promotes a sense of community spirit and pride in the school and it is compulsory at Croydon Hills Primary School in accordance with DEECD regulations.

Croydon Hills’ uniform consists of navy shorts, pants or track pants, red polo shirts with a collar, navy or red windcheater and approved hats. The summer uniform for girls is a red/blue/white check dress or navy shorts with red polo shirt; the winter uniform is a plaid pinafore or navy track pants. Year 6 children have a special Graduation windcheater or Hoodie and navy polo top, which they may wear; we do not allow younger siblings to wear these Graduation windcheaters from previous years.

Please note that basketball shorts (nylon) are not considered to be part of our uniform. Also leggings should be navy blue, not black.

The only acceptable jewellery is watches, stud earrings and sleepers in the ears.

Students should have their natural hair colour. Make up and nail polish should not be worn to school. If headbands are worn they should be red, navy or white.

If your child is out of uniform a notice will be sent home for you to sign and return to school. If there are circumstances where your child is sent to school without correct uniform, please send a note to your child’s teacher.

We have included a copy of our uniform policy including dress code in this newsletter.

UNIFORM POLICY

Rationale
- To develop a sense of pride and identification with the Croydon Hills Primary School
- To maintain and enhance the positive image of the school in the community.
- To eliminate social and economic pressure to wear less appropriate clothing.

Policy Statement
The wearing of school uniform instils recognition of belonging to the school community.

Implementation
1. The wearing of school uniform is compulsory. See Appendix 1 for Student Dress Code
2. The uniform comprises of a range of options as determined by School Council and the uniform sub committee in close consultation with the school community.
3. The student Dress Code including details of uniform items and time and place of purchase will be published in the school newsletter.
4. The student Dress Code applies during school hours, while travelling to and from school and when students are on school excursions.
5. Refunds/exchanges will be given for items purchased at the uniform shop as long as the uniform items have not been worn or washed. Proof of purchase is required.
6. The only headwear acceptable is the Sunsmart Hats which have been deemed compliant with the school’s Sunsmart Policy.
7. The only acceptable jewellery is stud earrings (subdued colours) and small sleepers in the ears and watches. SOS items can also be worn.
8. Natural hair colours only at school.
9. Hair ties, ribbons and clips must be red, navy blue or white.
10. Cosmetics/Nail Polish are not to be worn to school.
11. Students are permitted to wear a scarf or gloves as part of the winter uniform. These items must be plain navy blue or red and are not to be worn in class.
12. The Dress Code will be displayed in the school with details of uniform items and cost of purchase and will also be available on the Croydon Hills Primary School website.
13. Second hand uniform in good condition will be sold through the school uniform swap shop. See Appendix 2
14. The wearing of school uniform is optional on designated free dress days. Clothes worn on these days must be in line with our Sunsmart Policy. Covered footwear must also be worn and clothes with inappropriate slogans or images are not permissible.
15. Special Year 6 uniform items as defined by the school are available to Year 6 students only to be worn during their year 6 time at the school.
16. Parents may seek exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability or health condition by applying in writing to the Principal.
17. Parents must notify the school in writing if their child is not able to wear school uniform on a particular day.
18. Students are required to have at school a pair of non marking sole sports shoes for stadium use.

1. Note sent to parents to inform them that their child is out of uniform.
2. Parents contacted if child is out of uniform consistently.

**SECONDHAND UNIFORM GUIDELINES**

Croydon Hills Primary School and its community are proud of our student uniform. It reinforces student’s pride in their appearance, instills recognition of themselves as an integral part of the school community and assists on developing pride in representing their school. It promotes equality and group security whilst providing appropriate safe dress for the various school activities.

Our Uniform Shop at Croydon Hills Primary School is run by Annissa Silver, Coordinator and volunteers from our school community. The shop is open each Monday 8.30 - 10am and Thursday 2.30 - 4pm with additional hours as required.

As part of the Croydon Hills Primary School Uniform shop we offer parents the opportunity to purchase second hand uniforms and resell their CHPS uniforms which their child may have outgrown or no longer use. This can be done through the notice board in the uniform shop.

If you wish to donate your second hand uniform through the Uniform Shop the following conditions must be adhered to;

- The item needs to be clean and freshly laundered
- The item needs to be free of stains, patches and holes
- The item needs to be the approved school brand
- The item needs to be in saleable condition (no holes, rips, zippers in working order)

The prices are set dependent on the condition of the items. Any uniform item not suitable for resale, will be passed onto an appropriate charity or the school wet weather cupboard.

Please note that there is ‘no exchange’ or ‘refund’ of secondhand items after they have been purchased.

**Sports News**

**District Swimming Sports**
The District Swimming Sports are being held next Monday 16th Feb at the TIntern Grammar pool. We have 9 students entered in this event and we wish them the best of luck.

**Interschool Sport**
The first round of Interschool Sport starts this Friday 3th Feb. We are playing against Warranwood PS. Each week the results will be published and the venues for the following week. Please check with your child as to where they are playing. All teachers have a copy, there is a large copy stuck to the Senior Building door and the office also has a copy.

There are still many families who have not paid for the Interschool Sports for the term as well as giving permission for their child to get on a bus. This is to be done on Compass please. If a child has no permission to get on the bus, they will not be able to play. Could parents please address this?

Hot Shots Tennis
Over the past two years, our school has been registered to play Hot Shots Tennis and we have also registered with Tennis Victoria. Our senior students also play Hot Shot Tennis as part of interschool sport. Thank you very much to all those students who ordered a FREE T-shirt from the link that I provided. As a result, the school has received a $2 rebate for each T-shirt ordered. In December we had a total of about $498. I have used this money so far to buy another Hot Shots bag for the tennis racquets and 3 packets of 12 Medium Compression Tennis Balls. I will soon be ordering a few more tennis racquets. I am waiting on confirmation from Tennis Victoria with regards to the website link so that parents can then start ordering their FREE T-shirt for this year.

Running Club
The Middle and Senior children were handed Running Club notices this week to have filled in by parents so that they can run outside the school during lunchtimes with staff. If your child wishes to join the running club, please have them bring back this notice to their class teacher. If your child is not sure whether they want to run or not, it is wise for them to bring it back signed anyway as there is no harm for the notice to sit in the class file. If your child hasn’t filled in a form, they will not be able to run.

Performing Arts News

Classroom Music
Students from Foundation to Year 6 have a 1 hour classroom music lesson each week in a dedicated music room with a music specialist. Our Performing Arts Centre (P.A.C.) provides each class with an abundance of space to move and create music comfortably.
Great emphasis is placed on the children having fun and really learning to love all kinds of music through listening, singing, playing instruments, games and “dancing” to a wide range of music genres. The P.A.C. is a well-resourced space with tuned and untuned percussion instruments as well as keyboards, drums, ukuleles, steel drums, marimbas, guitars and a P.A. system.
Senior students are given the opportunity to create and explore music using their iPads and more particularly Garageband. Middle and Junior students have access to iPads to use apps to create and explore music.

Middle School Production
Our tradition of musical productions is a unique opportunity for all students in the Middle school to participate in a positive theatrical experience. They develop skills in dance, singing, drama, performance, theatre etiquette and co-operation. All CHPS productions are performed at a professional theatre to give the children and audience a ‘real’ theatre experience. Students have input into prop, costume and set construction, and a great deal of input into the direction of story evolution and enthusiasm for the final performance.
All students in the Middle school participate in the ‘on stage’ performance.
This year’s production will performed at the Karralyka Theatre in Ringwood on the 20th and 21st of August. As part of their classroom “music theatre” unit, Middle students are coached in how to prepare for an audition, as well as learning the songs for the various choruses in the show. They also study the evolution of theatre music from Opera to Rock Opera and everything in between.

School Choir
Children in Years 3 to 6 have the opportunity to be part of our School Choir. **Students in the choir practise on Monday lunchtimes and from 8-9 a.m. on Thursdays**, working on a wide variety of repertoire including unison, two part and a
Cappella music, rounds, pop and classical music.

In 2015, senior choir members will again be singing with a 1000 voice choir as part of a performance incorporating 2500 students from state schools around Victoria. They will be performing at Hisense Arena in the State Schools Spectacular in two performances on the 12th of September.
The choir has a history of performing at a variety of events during the year including: the CHPS Fair, Open Night, Stagestruck, Special Assemblies, Yarrunga Community Centre, Croydon Centro, Carols on the Oval and many more.

Ukelele/Marimba/IPad Band
This ensemble is for children in Years 3 to 6 that have an interest in playing the instruments that we learn in class in a band situation. Rehearsals will take place during Tuesday lunchtimes this year. The children are given the opportunity to perform at the many concerts throughout the year.

Instrumental Music
Children at CHPS have the opportunity to learn an instrument in an after school instrumental program provided by specialists in music tuition for school children of all ages. Children will have fun while learning to play their chosen instrument, read music and learn theory. Students are placed in small groups of similar age and ability and are offered lessons in keyboard, guitar, drums, flute, clarinet, saxophone, violin, and singing.
If you have any queries about your child learning an instrument, please contact Kathryn Lane via the school office.

Rock Band
This ensemble is available to those children that have been learning an instrument long enough to be involved in a rock band. Vocalists, drummers, guitarists and keyboard players come together during Wednesday lunchtimes and work on a contemporary repertoire. They also perform at the many and varied concerts throughout the year.

**School Banking News**
We’ve had a great start for school banking last week, with a lot of deposits being made. Please remember to hand in your deposit books on Fridays, as the school gets a commission from every deposit made. For those who didn’t make a deposit last week, please collect your 2015 School Banking Pack from the office. The prize form to redeem your tokens is included in this pack. (For students with new accounts, you will receive a token for every deposit you make. You will need to collect 10 tokens to redeem a prize.)
There’s a great range of prizes this year which are on display in the office window. In Term 1, there is an ET DVD that can be redeemed, which is rated PG. Could parents wanting to claim this prize in Term 1, please sign the prize redemption slip, as we need parents’ permission to release the DVD.
Could tokens also be kept at home and not in the deposit wallet, as this helps to prevent the deposit wallets from tearing when there are too many tokens stored inside. Also ensure that deposit slips are filled out correctly, and that the correct money is enclosed.
We are looking forward to a great school banking year!

Robyn and Kellent.

**CHAPS NEWS**

This week CHAPS held its first meeting for 2015. The main focus was planning out all the activities for the year and it is shaping up to be another fun and busy 12 months. Some of the events planned, following great feedback and success from last year, include the walkathon, movie night, footy day and a trivia night. So something fun for the kids and parents!
Currently we are putting together a calendar of events, which will become a regular item as part of CHAPS news so you will know what events are coming up well in advance. We will also be profiling some of our committee members throughout the year, so look out for this commencing in the next newsletter.
It’s just over a month until the Fair will be held on Sunday 15 March. The fair committee are hard at work getting everything ready, but remember its success will also depend on lots of volunteers. Parents will be asked at the upcoming Meet the Teacher interviews to nominate a timeslot that will suit to help out. Finally a reminder that if you haven’t joined CHAPS yet, membership forms are available from the office. We have a fantastic committee this year, so for those who may think that joining means you will be ‘forced’ into a role, let me assure you this is not the case! However, for the bargain price of $1 you will be kept up to date with meeting minutes and other news. So please join up!

Mia’s MessageBoard:

OnPsych
CHPS is now offering a private Psychological Service through an organisation called OnPsych. The benefits of this service to families are the following; the service is bulk-billed so there is no gap for you to pay; the sessions are during school time so you do not have to take time out of your schedule to take them to an appointment; also YOU the parents can access the service for your own therapy.

Our clinician Amanda is starting on Monday 16th Feb and will be working fortnightly until needs change. Amanda would like to extend an invitation to parents to drop in from 8.30-9.00am on Mon 16th to meet her and find out some information if you are interested. You will find her in The Support Room (used to be called The Hang Out Room, where I worked last year).

Resilience
Is your child struggling to make friends, deal with conflict and manage strong feelings? Often these issues are more than school yard issues that can be solved at school, they can often highlight a need for your child to develop resilience. Your role as parent is key in supporting your child to overcome these challenges. The Parenting Positively Resilient Workshop Series is designed exactly for that purpose. See flyer below to book.

Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, ukulele, here at Croydon Hills Primary School.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-on-one lessons give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from $16.20 per lesson and enrolments are now being accepted for limited places in term 1, 2015.

Interested parents should call Samantha during office hours on 9818 2333.
