Principal’s Report

Stagestruck
What a wonderful evening of entertainment we witnessed on Tuesday night when Stagestruck was performed. 120 students were involved in putting together their own solo performance, or as a small group and the standard was just fantastic. It was a very entertaining night, thanks to the hard work and talent of our students. Thanks to Kathryn Lane for encouraging and supporting our students to be able to perform so confidently for an appreciative audience on the night. Thanks also to Leigh Dixon for technical support and the other staff who assisted on the night. It is so heartening to see the continued development of the love of music within our school.

Year 3 Camp
Next week our Year 3 students go on their first School Camp. With the large number of students, we have split it into 2 camps over the week so they can be comfortably accommodated at the Mt Evelyn YMCA Camp. It
is a great venue and handy being so close, but when you are in the campsite you are in a lovely bush setting and could be kilometres away. We have been using this camp for more than 20 years now for our year 3s and they all have a fantastic time. I know they will be looking forward to it immensely.

**Additional Classroom**

I have heard in recent weeks that we will be receiving a new double classroom from the Education Department. Our current student numbers and likely future growth mean we qualify for additional classrooms and we are fortunate this time to be getting a brand new building straight from the factory. Although we have large grounds, siting the building is still a challenge. It will go at the end of the current middle school block, in the same orientation as the current modular classroom where we built a gallery 5 years ago. It is possible that we will qualify for another double classroom either later this year or next year, so we are aligning the building so a second can be placed facing the first, as we have done previously. The downside is that we will lose some trees in this area but we have plans afoot with our sustainability team to plant some more trees later this year. Preparatory work in the area will commence this weekend.

**Up To Date Records**

Just a reminder that it is important to keep our school records up to date. If you change mobile numbers or other contact details it is important to let the office know. The same applies for Court Orders where they are in place. The school is required by law to follow court orders, but we must have current orders to be able to do this. Where there are family issues, we don’t take sides but follow what is specified in the orders.

**CSEF / Foundation Uniform Support**

The state government is offering winter uniform support to families with Foundation students who currently receive Camps, Sports & Excursion Funding (CSEF). Letters explaining the support scheme were sent home to eligible families several weeks ago. If you are eligible and have not yet applied for a uniform voucher, please do so by next Wednesday, June 1st to avoid missing out.

**District Cross Country**

Congratulations to the children who competed at the District Cross Country on Tuesday. Well done to those who came in the top 10, who will now progress through to the Division Championships on Tuesday 7th June. Thank you to our parent helpers, Sue LeClercq and Laura Wherrett, for assisting with jobs on the finishing line and on the bus.

Results:
11 yr Boys - Nathan S – 5th, Damon S 10th
12/13 Boys – Jack T – 3rd
12/13 Girls – Tahlia W – 4th, Morgan W – 8th

Well done to all the other 55 children who helped score points for our school. Croydon Hills came 4th on the day out of 9 schools.

**Open Night Tuesday 17th May**

Congratulations to all the wonderful performers that did such a professional job of entertaining a capacity crowd in the P.A.C. on Tuesday night. We had 35 items including bands, the choir, vocal solos, instrumental solos, dance numbers and small group items that were accommodated on two stages. The students had practiced hard over a number of weeks during their lunchtimes, recesses and at home and all their hard work paid off. A big thank you to the staff who supported this event and especially to Leigh Dixon who did a great job running the mixing desk and helping the students sound even better with his sound engineering expertise.

*A special newsletter article will appear next week complete with lots of photos.*

**State Schools Spectacular Music and Notices Coming Soon!!!**

Rehearsals will start next week for those students involved in this event. Your music is now available from the P.A.C. The first massed choir rehearsal will be held at the Melbourne Town Hall on Wednesday 20th of July. Keep your eye on Compass for the permission notices.

**Book Fair Update**

Thank you to all the families who supported the Book Fair – many children were making purchases with their own pocket money or birthday money. Our sales were up by more than 7% on last year, which is fantastic as we use this as a fundraiser for the Library. Even the company was impressed with our efforts. I must also make special mention of the patience that everyone displayed on Tuesday night when things got so hectic and the line was so long.

The Book Fair takes a lot of time and effort and it is at times like these that we appreciate the wonderful community that we have at our school. Thanks to the office staff for not getting grumpy with all the interruptions. Many teachers and staff gave up their time to assist at the Book Fair. This is not easy at this time of year, as the teachers are preparing for open afternoon/evening and also working on reports. Thank you most sincerely to those who helped, especially those who helped me to set up and those who came back to work on Tuesday night to help with Open Night, instead of staying in their homes with their feet up as they deserved.

There are six books that have not yet been delivered to students. The titles of these are:- ‘Encyclopedia for Minecraft’, ‘Lego DC Comics Super Heroes’, 2 copies of ‘Discover the Extreme World’ and 2 copies of Lego Friends – Let’s Explore’. These are expected any day now. I will put it in the newsletter when I believe that all outstanding orders have been filled. Watch this space!

Once again thank you to everyone for your support.

THIS WEEK’S CHALLENGE
Write the answer to the challenge, with your name and class and place it in the box outside the office by Tuesday morning.

We have 27 classes in our school. We have 7 more female teachers than male teachers. How many female teachers do we have? How many male teachers do we have?

LAST WEEK’S CHALLENGE
We have 649 students in our school. We have 44 more girls than boys. How many girls do we have? How many boys do we have? Clearly another week is needed to work it out.

Congratulations to all who performed on Tuesday for Stagestruck

Walk To School Day

Last Friday our school held “Walk Safely To School Day”. Teachers recorded how many students normally walk to school, then how many walked to school on our special day. Our normal figures show that 150 students walk to school on an average day. “Walk To School Day” showed there were 214 students who walked on this day. Thank you to all the students who made the effort to either walk all the way, or part of the way. Stickers and Shoeaces were handed out to all the students who walked to school. It was a great morning weather-wise and wonderful to see so many of our students enjoying their morning walk in the sunshine.
