Principal’s Report

Year 3 Campers

The year 3 students are having a wonderful time this week, with 2 groups enjoying the wonderful activities at the YMCA Camp at Mt Evelyn. The still, sunny days after a brisk start have been a joy for all those outdoor activities. Visiting earlier in the week was great fun and it is so pleasing to see the students take on the challenges of the activities in such a positive way, in such a supportive environment. The encouragement and teamwork was just outstanding. With any camp, staff and parents who assist give up much of their own time to enable these activities to happen. I know you appreciate the extra effort put in by our staff to make CHPS such a rich learning environment for our students. Maybe this is an opportunity to demonstrate gratitude to the staff and parents who have made the camp happen. When they return on Friday, a quick “thanks for your efforts” when you are collecting your children is a small gesture, but is always appreciated.
Foundation Enrolments
With only 3 weeks to go in this term, if you or your friends are yet to enrol for 2017 then please do so before the end of term. All government schools in the area ask for parents to enrol by the end of this term so that appropriate planning for staffing and facilities can be initiated.

Compass Change of Domain
Our school’s new internet address for Compass is croydonhps-vic.compass.education. The old address that most people are currently using should still work and re-direct people, but there have been a number of parents this hasn’t worked for. The change means that all users are required to re-register themselves at login, for which you need to know your username and password, which you generally only use once and then save the settings. If you have any problems with this then please contact the office, who can assist.

Parking Officers from the council are visiting the school several times a week and will fine people who are not following the road laws and are therefore putting students’ safety at risk.

The exception to this is the Middle School children who will receive their chocolates next week, due to the Year 3 children being on camp. Thank you so much to our hardworking volunteers – Sue Le Clerq, Nikky Edwards, Natalie Wilson, Les Clarke, Leanne Crome, Julie O’Connell and Priscilla Tkatchenko.  It was a fun morning.

A HUGE thank you to everyone who has purchased a Bottle for Botol stainless steel water bottle from the office! You have each “single handedly” made a difference to another student’s life over in Indonesia. You have not only given them a water bottle as well, but have also given their school canteen new water dispensers and provided the students with an eight week educational course on sustainability!

If you also want to help make a difference to this world, you too can purchase a bottle at the office today!

These bottles are being sold at the office for $20 and will be available until stock runs out. Help make a change!

For more information about the program, please have a look at the following website: http://www.bottleforbotol.org
