Principal’s Report

Avast Me Hearties!
We’re riding the ocean waves in the foyer this week, with a rollicking display of textile pirate ships created by our Middle School students. Our Art program, run expertly by Claudia Michielin, offers our students wonderful opportunities to get their creative juices flowing. The standard of work is invariable excellent, with visitors to our school often commenting on the colour and quality of our foyer displays.

Action on the new classrooms
Parents who access the northern side of the school will have noticed action in the last few days. We have always had a less formal vehicle access for contractors to the majority of the school site along the northern side of the fenced area. The Department has decided that, for the large trucks and crane needed to put the new double classroom in place, they needed to upgrade this path and fortunately, this path will stay with us after the works are completed. They have established the secure work area as well, with temporary fencing for the duration of the works. This work is being carried out and funded by Department-appointed contractors and is done to provide us sufficient classrooms according to their non-generous formula. This is in contrast to the Pavilion near the Stadium, which was a School Council Project using our own funds.

We are lucky to be able to undertake a project like the Pavillion, thanks largely to our wonderful CHAPS Parents Association, who work tirelessly to fundraise for the school. Every chocolate drive, school fair, trivia night and other fundraiser you are asked to support contributes...
directly to school resources and therefore the learning experience your child enjoys. I cannot encourage you enough to support CHAPS, either through joining their ranks (it’s a great social opportunity too) or attending and participating in the events that they organise.

A reminder that we have a **Presentation Assembly** tomorrow at 2.45pm in the Stadium. These are always a fun assembly for parents and friends to attend, with performances from some of our talented students and presentation of our Citizen of the Month Awards.

**3 Way Conferences** will be open for bookings on Compass next Wednesday, June 15 at midday. Interviews will be held in the middle of the last week of term. Semester 1 Student Reports will be available on Compass on Friday, June 17 at 3pm. Enjoy the long weekend coming up with the **Queen’s Birthday Public Holiday on Monday.**

**CHAPS NEWS**

Did you know that this year CHAPS pledged $5,000 towards updating literacy books for both the Foundation and Junior school? The great news is that the books have been ordered. Look out for the new books with the CHAPS stamp on the inside.

We are all excited to see that some of the boxes of chocolates have already been sold, with the money returned to the school. This year we have made online payment easier by adding the ability to pay by Compass. You can also pay by cash, cheque or EFTPOS at the office. If you cannot sell your box, or you can only sell part of your box, please return your chocolates to the office ASAP. We have a waitlist of families looking to sell boxes.

Entertainment books remain on sale, either at the office or via the digital version (link shown below). We have only had 5 families volunteer their time for the Election Day BBQ. We need at least another 10 volunteers to run the BBQ. Please let us know if you can spare an hour or two on the 2nd of July. The details are outlined below. If you can help, please email us at [chaps@croydonhps.vic.edu.au](mailto:chaps@croydonhps.vic.edu.au) or SMS Elise 0400 951 046. We are also looking for donations of napkins, tomato sauce, barbeque sauce and mustard. These can be left at the office any time before the end of term.
