Wow! …it has been a dynamic end to the 3rd term. At the end of last week we had our 23 Korean visitors, State School Spectacular rehearsals and performances on Saturday, and the Wakakirri crew had their breakup party on Thursday. This week we have had Enviro Week incursions for all classes, Hooptime for the seniors and the Foundation Fairytale Ball. Our senior and middle school students have had Expos of their Inquiry unit projects over the term. Today we have the special footy lunch and tomorrow we have a Free Dress Day with a gold coin donation going to The Leukaemia Foundation. It has been extremely busy, but has provided rich educational experiences for our students.

A reminder that we finish at 1.30 tomorrow for the end of term, with no
lunch needed to be bought to school.  

**Our Korean visitors** were a wonderful group who visited last week. They had excellent English, were very friendly and very generous in providing every student in the school with a fan with both the school names and logos on them. It was good to build relationships over the 3 days of their visit and their performance at Assembly was outstanding. We look forward to our group visiting their school for the first time when we are in Korea at the start of next term.

Thanks to John Gerrard who has been filling in for Kathryn Lane for this term as our Performing Arts teacher. The role of supporting the **State Schools Spectacular** in itself is a huge one and he has done a great job. Our students were able to take part in a huge production and very special experience, thanks to the efforts of John and Mandy Carolan who assisted over all the rehearsals and on the performance day.

**Toilets**

Over these holidays we will be having work done on the toilets on the Junior School side of the courtyard. They will be having the cisterns, which are currently in the wall, replaced with household style units which will be easier for our younger students to flush. We have recently installed an extra soap dispenser in each toilet, which uses the foam soap which lasts much longer and is harder for students to waste. We need students to use the toilets in a responsible manner and not try to damage this equipment, which unfortunately happens too regularly.

Carol will be back from leave at the start of next term and will be Acting Principal for the first 2 weeks, while I will be with our 16 senior students, Kali Fraser and Shane Holloway on our 7th Korean Study Tour.

I hope our students and staff have a restful and refreshing break. It is a great time to be in Melbourne, particularly if we can get past this wet and cold period and enjoy the beautiful spring which must be just around the corner. All staff look forward to welcoming students and families back on Monday October 3rd.

**Whole School Survey**

Thanks to those families who took the trouble to respond to our Whole School Survey – it was a magnificent effort, with over 200 families letting us know what we’re doing well (or otherwise). We are now collating that information and will share the results with the school community next term.

**State Schools Spectacular**

What a show! If you had the opportunity of going, I’m sure you would agree that the performances were fantastic and entertaining. It’s amazing how they put all the different aspects together to make the amazing show – spectacular in every sense! Our students did Croydon Hills proud, and we congratulate them for their talent but also for their ability to stay focused after such a huge week. Well done everyone! The show will be televised on **Saturday 3rd December at 7pm on Channel 7**. I would suggest putting this in your diary so you don’t miss it. We were sitting at the very front and if it’s not edited too much, a lot of our kids should be on.

Also a huge thank you to Rachael Brice and family for collecting and bringing our dinner to Hisense. It was much appreciated by all.

Foundation Fairy Tale Ball

Once upon a time in Foundation land...

...all of the characters came to life...

There were princes and princesses, Little Red Riding Hoods, knights and dragons just to name a few. Tantalising tales were told, creative crafts were made, delicious delicacies were devoured and the boisterous and brave boys took the beautiful belles to 'The Ball!'

...and they lived happily ever after.
Hooptime
Senior School

Yesterday we had 65 Senior School Students and 9 teams participate in the Senior Hoop Time.

Congratulations to the Croydon Hills Crocs and Croydon Hills Cobras who will advance to the next round of the competition.

Thank you to all the parents who provided support on the day.
