Principal's Report

AFL Roadshow

We had a wonderful day in lovely weather with the AFL Roadshow for our students. This is a very difficult program to be able to get to a school and we are most appreciative that our students were able to

experience it.

Korean visitors

This week we have had the pleasure of hosting 23 students from Incheon Myeongsun Elementary School, who are spending 3 days interacting with our senior students. Yesterday we had a wonderful excursion to Healesville Sanctuary, with our Korean Ambassadors supporting our visitors in understanding our unique Australia Fauna and today our Ambassadors are joining our visitors for a trip on Puffing Billy. Our 16 students travelling to Korea for 13 days from October 1st will be presented at our Presentation Assembly this week. Our visitors will also be presenting a performance item.

School Review

As I have outlined previously this year we are reviewing our progress towards meeting the goals in our current Strategic Plan and then using the

review to guide the development of our new plan for the next 4 years. We had the formal review meeting over 2 days at the end of last term. This meeting was with our senior staff, with critical friends - the Principals from 2 neighbouring schools - and also our reviewer, Anita Forsythe from Monash University. Anita has now provided us with her Executive Summary, which is available on our website and which I would encourage parents to read. We are pleased with our progress, though there are always aspects of our programs on which we can improve. We will be working between now and the end of the year developing our new Strategic Plan.

Melba SC – Wizard Of Oz

We were fortunate to have a group of our senior students take an active part of this very high quality production at Melba Secondary College. I had the pleasure of seeing it and can attest to the outstanding show they provided for the audience. Our student group, "The Munchkins", loved the experience and appreciated the opportunity to take part.

Girls Football

Our Girls football team enjoyed a successful and enjoyable day on Tuesday at the Girls Football Gala Day. They certainly made the most of an activity which currently has a very high profile in the community.

State Schools Spectacular

We have a group of students looking forward to performing in the State School Spectacular this weekend. This is the showcase of Victoria Government Education which we are proud to be a part of.

Graeme Caudry - Principal

Premiers' Reading Challenge:

The Premiers' Reading Challenge has now closed. Thanks to all the students and parents who read and entered books. Our school details have now been finalised on the website and students can expect their certificates some time in Term 4. Well done everyone.

Sports News

Girls Football Gala Day

Well done to all the girls in the Senior school who participated in the Girls Football Gala Day on Tuesday. There were 46 girls who put their hand up to have a go at playing against 4 other schools at the Park Orchards Sharks football ground. We had an A Team and a B team. Thank you to the Park Orchards Sharks for hosting the day and giving the girls a great experience. Also thank you to Laura Kitching and Leigh Dixon for escorting the girls to the football competition and enjoying the day with them. Thank you Leigh for the great photos!

Division Softball Finals

The boys' and girls' Softball teams have started their training for the Division competition early next term. Thank you to Mr Slater and Mr McGaw for their time and effort in getting the kids out to practise. The finals will be played at some stage in October against Marlborough PS in the boys' final and Bayswater North in the girls' final.

Noreen McMenaman - Sport/PE

Music News

Here we are at our first Dress Rehearsal. We are all very excited to be at the Hisense Arena, there is so much to see and we are eager to watch part of the show. We can't wait to be part of the performances on Saturday!

School Banking News

Hey there bankers!

No Banking

Remember, there will be **no school banking next week**, the last week of term.

We appreciate your understanding and look forward to kicking off again in Term 4.

A big high five for all our bankers!

Your great saving habits earned our school \$855.80 in fundraising commission in the first half of this year. That's an awesome win for our school and an awesome outcome for all our great savers!

Mia's MessageBoard:

How to support and develop your child's social skills

Another one of Georgina's key messages in the seminar was Problem Solving. Read on to learn how it is done and what it achieves.

Help to problem solve instead of giving too much reassurance – by Georgina Manning

- Once you have listened using reflective listening, you can help them to problem solve for the next step. This helps children to learn a lifelong skill and an effective coping strategy for anxiety or worrying.
- Ask them 'what could you do?' 'How do you think you could..?' 'I wonder what would happen if you?'
- Help your child to make a plan of what they could do to solve a problem.
- If there is nothing they can specifically do to solve a problem (such as just generally worrying) then using a coping strategy such as finding something fun to do or calming exercise.
- Give lots of positive praise for trying to solve a problem and give them a chance to try out solutions on their own
- If we step in and solve a problem for them by taking over and doing things for them, we are robbing them of the essential practice needed to develop their emotional resilience. Every time they solve a problem on their own (with guidance from you if needed), their confidence and self-mastery builds. This helps to immunise them against anxiety in the future as they form a belief that they can handle tricky situations on their own.

PARENTING INFORMATION FORUM
Supporting Parents, Grandparents and Carers

HAVING THE TALK

STARTING CONVERSATIONS ABOUT ADOLESCENT RELATIONSHIPS AND SEXUAL HEALTH

Presented by Family Planning Victoria

Young people often want to talk with their parents about sexuality and relationships. Many parents are unsure of where to start or may feel uncomfortable about having these conversations, but avoiding the subject is not helpful for young people as they can often receive the wrong information elsewhere.

In this forum Athi Kokonis from Family Planning Victoria (FPV) will provide guidance on practical and respectful ways parents can interact with adolescents about sexuality and relationships. This forum will provide assistance on how to begin the conversation, maintain the connection through adolescence and how to deal with difficult questions and sensitive issues.

Athi has been working in schools as both teacher and community educator for over 25 years. She has been with Family Planning Victoria for 13 years and works with students from primary, secondary and special school settings.

CHAPS NEWS

The Chirnside Park School Rewards Program is up and running. We are currently 7th on the leader board. The top 3 performing schools all take home a share in the \$10,000 prize pool. Shoppers are also eligible to win weekly prizes. All you need to do to participate is shop at Chirnside Park and keep your receipt. Once you get home just log on to www.chirnsidepark.com.au to register and load your receipts.

Our Sweet Light Photography fundraiser is happening this weekend the 10th and the 11th of September. There are still a couple of places left. The sitting fee is only \$30 and 100% of the fee goes to the school! Photo packages start at \$50 which makes it a very affordable Christmas present. Check out Compass for more information and book using the form below.

Do you ever wonder what happens at a CHAPS meeting? Are you interested in volunteering at our school events but are not sure how? Do you have ideas for fundraising next year? Then come along to our next meeting! Our school is growing and we would love to see our CHAPS member base grow too. CHAPS runs events such as the Mother's and Father's Day Stalls, assists with morning tea at prep transition sessions and fundraises for items such as playground equipment and take home readers. We would not be able to achieve this without our members volunteering their time. Many hands make light work, so we would love to see you at our next meeting on the 3rd of October at 7pm in the conference room.

CONGRATULATIONS!

CONGRATULATIONS to Chloe from SLK, for winning the "Bottle for Boto! Design Competition"!

Chloe's design was voted as a popular choice by people all around the world and was chosen to be the Australian winner by a team of independent judges.

We are so proud of Chloe's achievement, and we look forward to seeing her design printed on new blue stainless steel water bottles later this year. These bottles will be sold all around the world and will be available to purchase from the Bottle for Boto! website and from our office later this year!

Congratulations to all of our entries and finalists, you should all be very proud of your designs!

Don't forget these bottles are being sold at the office for \$20 and will be available until stock runs out. Each bottle sold provides another to an Indonesian student and gives them access to an environmental education course. Please help make a change today!
