FIND A PARTNER, GET SOME HELP TO MAKE IT FROM CARDBOARD, HAVE A GO!!
Dear Students,

The Billy Cart Grand Prix is approaching quickly. The Croydon Hills race will take place on the last day of the school year..... Friday 20th December, 2013.

The race will be run on one of the main ovals, (depending on the weather), which means that when you are building your cart, you will need to think about the type of tyres you use. Pneumatic tyres (ones which can be pumped up) are ideal as they allow for the bumps better and travel over grass and dirt faster. (Try Pete’s Bargain Centre near Bunnings) If the weather has been bad during the week, we may change the location to a suitable area.

The Race
- 2 races - boys race and a girls race
- trophies for first in each race
- trophy for best dressed
- billycarts to be simple in design so that the pusher can handle it..... to be built mainly by yourselves rather than your wonderful engineer relatives!

**YOU MUST WEAR A HELMET.... NO HELMET NO RACING!!**

Work out who your partner is and start building for a great race day!

CHOIR PERFORMANCE

Wednesday 11th (Carols on the oval)

and

TUESDAY 17TH DECEMBER (Croydon Centro)

Dear Parents and choir children,

A couple of changes to previous arrangements. Due to the fact that we have students performing in a number of items, I have decided to not wear our choir uniforms at the carols night. This is going to make it a little easier for all the performers to get changed.

Also, we will be leaving school at 11:15 to head down to perform Christmas music at Croydon Centro on Tuesday 17th December. We will be performing at around 11:45 then heading to the Croydon cinemas for a movie “Cloudy with a chance of Meatballs 2” after the performance.

Thank you to all those children that have already brought their $7.00 and notice back and to the parents that have offered to help on the day. That’s fabulous!!

I will still collect all choir uniforms on Monday the 16th of December for stocktake in the P.A.C. Please make sure that the uniform has been washed and ironed and the red tie is with it. They need to be returned to me in a named plastic bag. Thank you.

Regards, Kathryn Lane
TENNIS HOT SHOTS PROGRAM

As mentioned numerous times in the school newsletter, the children of Croydon Hills Primary School are fortunate in that we are now a registered Hot Shots School and with this comes some bonuses. We have been able to have access to the Parkwood Tennis Club coaches and Sue Saliba, one of our local coaches, who have been doing tennis clinics with the students during their PE classes.

The other benefit of the registration is that we have received free equipment thanks you to MLC & Tennis Australia. We have received new tennis racquets, nets and low compression tennis balls.

Each student is entitled to receive a FREE t-shirt as a result of our program now up and running. Students need to log onto -

Once on the website, go to Clam Your Free Stuff – Venue – Croydon Hills Primary School. The school name will appear, then fill in your detail and you should receive your free t-shirt in the mail.

With the registration of your t-shirt also comes a $2 rebate for the school. If every child logs on and orders a free t-shirts, we should receive a substantial amount of money in our school Tennis account so that next year we will be able to claim some new tennis equipment.
